Memorandum No. 52501/E1/53-5 Edn., dated 12-7-1954.

Sub:- Colleges - Government Training College, Mangalore Sanction of a post of Lecturer in Kannada.

Ref:- From the Director of Public Instruction, Roc. 63-K2/54, dated 16-2-1954.

The Director of Public Instruction is requested to submit proposals for creation of additional posts of Lecturers in the Government Training College at Mangalore for consideration in connection with the Part II Schemes for 1955-56. The question of a post of Lecturer in Kannada may also be considered in that connection if the number of students taking Kannada as an optional subject is substantial.

The Director of Public Instruction,
MADRAS.

The Secretary to Government,
Health. Education & L.A. Department.

No. 63 K2/54 dated 14th October 1954.

COLLEGES - Government Training College, Mangalore - Creation of additional posts of Lecturers - Part II Scheme for 1955-56 - Proposals

In connection with Part II of the Budget Estimate for 1955-56, I submit for the favourable consideration of Government, the following proposal for the sanction of two more posts of Lecturers in the Government Training College, Mangalore, with effect from 1955-56.

2. The optional subjects in the College are (i) English (ii) Social Studies (iii) Mathematics (iv) Science and (v)Kannada. All these five subjects and Theory of Education and School Organisation are of equal importance and each of them must have a Lecturer in the M.E.S. Thus it is ordinarily necessary that the College should have six posts of Lecturers of which one might be combined with that of the Principal. But there are at present in this College only three posts in the M.E.S. - One Principal and two Lecturers.

The strength of the gazetted staff in the other three Government Training Colleges is as follows:-

College	No. of Gazetted posts (Principal & Lecturer)
Teachers' College, Saidapet	5
Teachers Training College, Kozhikode	5
Lady Willingdon Trg. College, Triplicane	6

As the Government Training College, Mangalore must be placed on a par with the other Government Training Colleges, it is necessary to increase the number of posts of Lecturers from two to atleast four

3. The number of students taking each of the five optionals in the College is as follows:-

(i) English	38
(ii) Social Studies	30
(iii) Mathematics	31
(iv) Science	26
(v) Kannada	5

The Principal and the two Lecturers are in charge of English Social Studies and Science respectively. Mathematics with a strength of 31 students has no Lecturer in the M.E.S. The compulsory subject "Theory of Education and School Organisatio is also without a Lecturer in the M.E.S. In the circumstances, I request Government to be pleased to sanction two more posts of Lecturers to the Government Training College, Mangalore.

4. In this connection I invite the kind attention of Government to my letters No. 1655 K2/52 dated 14-10-52, 18-11- and 24-10-53 wherein I have explained in detail the need for the posts. Th financial implications of the proposal are as shown below:-

Immediate cost - Recurring		
2 Lecturers in the M.E.S.	230 x 2 x 8	3,680
Dearness allowance	44 x 2 x 8	704
	Total	4,384 or 4,400/-.
Ultimate cost - Recurring		
Average pay for 2 Lecturers		10,784
Dearness allowance		1,680
		12,464 or 12,500/-

5. With reference to the Government memo. No.52501 E1/53 Edn. dated 12-7-54 I submit that the number of students taking Kannada as an optional this year is only 5, and that as Lecturers' Posts in Government Training Colleges are not usual earmarked for any particular subject, there is no need to consider specifically the question of creating a post of

HJ's remarks on p. 10 ante

The part II proposals received from the DPI will be found in the file linked. Mrs Prophet is at evidently with reference to the minute at H 21-22 ante in this file & E1 section. This section has no objection to deal with the proposals submitted by the DPI, for which the papers in this file are required. On the other hand, if it is considered by H.J. that this should be dealt with in E1 section, this section has no objection to that.

Sub:- colleges - Govt. Training college Mangalore
Creation of additional posts of Lecturers.

Ref:- From the D.P.I. Roc 63 K2/54 dt 20-3-55

It is observed from the statement enclosed with the letter of the D.P.I cited that there is no staff in the Govt. Training college Mangalore for teaching in Health Edn, Physical Education and Arts & crafts, and that the existing lecturers and Asst. Lecturers are doing more or less the same quantity of lecture hours of work as the other lecturers and Asst. lecturers in other Govt: Training colleges are doing. The D.P.I is requested to state as to how the teaching in Health Edn, Physical education and Arts and crafts is conducted in the Govt. Arts college Mangalore and he is requested to ~~State~~ justify in detail the need for additional staff in the Govt. ~~Arts~~ Training college Mangalore in view of the fact that the lecture hours of work done by the existing staff cannot be said to be more than that done

Subj:- Colleges - Govt. Training College, Mangalore - Creation of additional posts of Lecturers - Part II Scheme for 1955-56.

Ref;- From the D.P.I. Rc. 63 K2/54 dt. 14-10-54.

In 1950, the Govt. approved the proposals of the D.P.I. for the reorganisation of the staff of the Training Colleges under their administrative control in accordance with the requirements of the Universities and sanctioned the following staff, in lieu of then existing staff, in each of the three Training Colleges, i.e., Teachers' College, Saidapet, Lady Willingdon Training College, Madras and the Govt. Training College, Rajahmu

One Principal, Four Lecturers, six Asst. Lecturers. Later in April 1951, two more posts of Lecturers in the Madras Educational Service were sanctioned for the Govt. Training College, Kozhikode, which was started in July 1950, making it in all one Principal, four Lecturers and five Asst. Lecturers. Each of the two other Govt. Training Colleges at Mangalore and Kurnool, which were started in July 1950 and July 1952 respectively, have only two lecturers besides the Principal. In October 1952, the Director submitted proposals for the employment of two additional Lecturers in each of these two colleges for consideration as a Part II Scheme for 1953-54. As the extra cost involved in the proposal was large, the Director was requested to send modified proposals for the minimum irreducible number of posts required for the Govt. Trg. Colleges at Mangalore and Kurnool during 1953-54. The Dir. stated that the irreducible minimum of posts of Lecturers required for a Govt. Trg. College is five, excluding the Principal, that on this basis each of the two Govt. Trg. Colleges at Mangalore and Kurnool requires three more posts of Lecturers and that considering the need for utmost

economy, atleast one additional lecturer in each of th Trg. Colleges at Mangalore and Kurnool might be emplo with effect from 1-7-1953. The revised proposal of the Dir. was considered as a Part II Scheme for 53-54 and placed before the S.F.C. for their consideration. The proposal did not get the approval of the S.F.C. and the matter was not pursued further

2. The D.P.I. again renewed the proposal of strengthening the staff of the Govt. Trg. College, Mangalore for consideration at least in connection with the Part II Schemes for 1954-55. This was examined by the Govt. in connection with the representation received for the employment of a Lecturer in Kannada for this college and it was decided to treat the proposal of employment of additional staff as a Part II Scheme for 1955-56.

3. The D.P.I. has now renewed the proposal of employment of two Lecturers in the Govt. Trg. College, Mangalore for consideration in connection with the Part II Scheme for 1955-56, for the reason that this college which is under staffed should be placed on a par with the other Govt. Trg. Colleges. It is ~~proposed~~ reported in this connection that the existing staff of the Principal and the two Lecturers are in charge of English, Social studies and Science respectively while Mathematics with a strength of 31 students has no Lecturer in M.E.S. The compulsory subject 'Theory of Education and School Organisation' is also reported to be without a Lecturer in the M.E.S. Hence, the D.P.I. has requested for the sanction of two additional posts of Lecturers in the M.E.S. so that there may be in the college five posts of Lecturers in the M.E.S. including the Prl. on a par with the staff of the Govt. Trg. College, Kozhikode and Teachers' College, Saidapet. As the number of students taking Kannada as an optional

subject is only 5, and as Lecturers' post in Govt. Trg. Colleges are not usually earmarked for any particular subject, the D.P.I. considers that there is no need to consider the question of creating a post of Lecturer in Kannada in this college.

4. The D.P.I. considered in 1952 that the proposal of employing ~~an~~ two addl. Lecturers was a modest one to satisfy the immediate needs; but if it was to be reduced further, he considered it better to ~~trust~~ create one post of Lecturer at least than none at all. Hence it would appear that the proposal of creating two posts of Lecturers in M.E.S. has been justified. This has now been pressed by the D.P.I. for consideration as a Part II Scheme. The extra cost involved in the proposal to creat two posts of Lecturers is Rs.12,500/- p.a. recurring. The proposal may go forward as a Part II Scheme for 1955-56.

Finance may see for remarks.

Part II Scheme for 1955-56.

Creation of two more posts of Lecturers in the Government Training College, Mangalore.

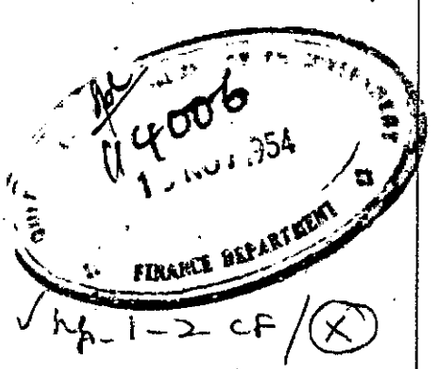
Cost - Rs.12,500 per annum recurring.

In 1952, the Director of Public Instruction submitted proposals, for creating two additional posts of Lecturers (in the M.E.S.) in the Government Training College, Mangalore. he reasons given by him then in support of his proposal may e found in his letter at pages 1-2 and 5-6 c.f. of G.O.2698, ducation, dated 30-12-1953. That proposal was considered as Part II Scheme for 1953-54 but was turned down.

A/p. 8 ref (X)

15/11/54

HELA No no 72323 E IV/54-1 dated 15.11.54.



ref 1-2 cf (X)

2. For the same reasons, the Director of Public Instruction has renewed the same proposal. Please see his letter on pages 3-4 c.f. H.E.L.A. recommend that the proposal may go forward as a Part II Scheme for 1955-56.

3. The main reason adduced is that the Mangalore College must be placed on a par with the other Government Training Colleges, viz., Teachers' College, Saidapet, Teachers' Training College, Kozhikode and Lady Willingdon Training College, Triplicane. This cannot justify the proposal. Posts of Lecturers are sanctioned having regard to the importance of the subject concerned and also/the number of students taking the subject. Probably this is the reason for the difference in the number of lecturers in the several Training Colleges.

The Madras University's stipulation was that there should be three Lecturers (in the M.E.S.) in the college including the Principal. This has been satisfied by the existing number of Lecturers.

The proposal was previously considered by the Government and was rejected. No new facts have been put forward now to justify the proposal. There is therefore no advantage in considering it again.

The proposal is neither urgent nor essential. It does not also satisfy the criteria for Part II Schemes, 1955-56 laid down in G.O.956, Finance, dated 17-7-1954. The Government are finding it difficult to finance even the schemes included in the Five Year Plan and other essential development schemes. They cannot therefore favourably consider the proposal. On merits also, the case for additional Lecturers is weak.

4. In the circumstances, Finance may advise that the proposal be negatived. If, however, H.E.L.A. wish to press the proposal they may call for a comparative statement showing the number of subjects taught in each Government Training College, the number of students for each subject, the number of Lecturers and Assistant Lecturers, the distribution of work among them, etc., and examine the case further.

HELA (Edn) Dept

For the reasons noted on their note on p-le aute, finance have stated that there is no advantage in considering the proposal of the employment of two posts of lecturers in the Govt. Training college Mangalore. That dept have advised that if the proposal is to be persued, a comparative statement showing the details of staff and students in each training college may be called for and the case examined further. If the particulars ~~called~~ are to be called for, the proposal cannot be considered in connection with the Part II schemes. However, the comparative statement may be called for as suggested by fin and the case examined on its merits on receipt of the particulars. Subject to orders [illegible] for approval.

pleate

I saw a file on some of in which [illegible] clarification stated that [illegible] sent for [illegible] in Tg Sch [illegible] Branch [illegible] 87/87

H.E.L.A.(E.4)Dept.

Note for circulation.

The case relates to the proposal for the employment of ~~four~~ two more Lecturers in the Govt. Trg. College, Mangalore. The D.P.I. has reported that th Govt. Training College, Mangalore with a strength of one Principal and two lecturers on the staff is unde staffed and it should be placed on a par with the ot Govt. Training colleges viz., Teachers' college, Saidapet, Govt. Training College Kozhikode and the Lady Willingdon Training college, Madras in which th are one Principal and four Lecturers on the gazetted staff. The existing inadequacy in the number of gazetted posts in this college is reported to be causing much difficulty in the posting of lecturers qualified to teach the subjects in which the college is affiliated, and hence the D.P.I. has proposed the employment of two lecturers in the Mangalore Trainin College. The proposal was treated as a Part II sche for 1953-54, but was deferred. It has been renewed consideration as a Part II scheme for 1954-56. The extra cost involved in the proposal is Rs.12,500/- p recurring. This department supported the proposal mainly for the reason that the Mangalore Training College is understaffed and should be placed on a pa with the other Govt. Trg. Colleges. But Fin. for th reasons stated in their note on pp.3-4 ante have advi that it should be deferred and that if the proposal is to be pressed, a comparative statement showing th number of subjects taught in each Govt. Trg. College the number of students in each subject and the numbe of Lecturers and Asst. Lecturers and the distributio of work among them may be called for to examine the case further. It is to be noted that if the particu

is therefore for orders

1) whether the proposal with the materials available here will be pressed for considerations as a Part II scheme for 1955-56

2) whether the particulars suggested by Fin. will be called for and the case examined further on its merits for introduction in the year 1955-56. In the latter case, the draft below is for approval.

connection with the Part II Schemes for 1956-57. Hence the case may be taken when the D.P.I. approaches the Govt. in connection with the Part II Schemes for 1957-58. The papers may be
